## Discovery arrives at Alpha

**S**pace Shuttle Discovery arrived at the International Space Station Alpha Sunday following its successful launch Friday from Kennedy Space Center, Fla. Discovery is delivering the new Space Station crew, food, clothes for the crew, experiments and equipment. Many of the supplies are stowed in the Leonardo multi-purpose logistics module, which is managed by the Marshall Center.

**To show your artwork at the Family Fun Day Art Exhibit, call 461-4329**

## Marshall Center offering small business opportunities

**M**arshall's Technology Transfer Department is sponsoring a Minority- and Women-Owned-Business Industry briefing at the Oakwood College Technology Complex from 8 a.m.-4 p.m. Tuesday. This briefing will inform small businesses of opportunities in both government and area industry. For details, callCarolym McMillan at 544-9151.

## Access 'ASK Magazine' online

**A***SK Magazine*, an e-publication oriented toward aerospace project management is available online at: [http://www.appl.nasa.gov/knowledge/ask\\_home.htm](http://www.appl.nasa.gov/knowledge/ask_home.htm). The most recent issue focuses on program reviews and how good managers have learned from them to the benefit of their projects.

**Review Safety Bowl questions on 'Inside Marshall'**
